Basic and emergency dentistry

Covered at any dentist on the Dental Network

Basic dentistry such as fillings, extractions, infection control, cleaning and polishing of teeth

Specialised dentistry such as bridges, crowns, surgical extractions, implants, root canals, gold fillings, dentures and braces are not covered

Provided in accordance with the Dental Network protocols and approved Health4Me dentistry list

A 3 month waiting period applies

You may visit any dentist on the Dental Network. You have benefits for basic dentistry, such as fillings, extractions, infection control and cleaning and polishing of teeth. The dentist will send the account to us for payment. Specialised dentistry, such as bridges, crowns, surgical extractions, implants, root canals, gold fillings, dentures and braces, is not covered. If a specific dental procedure is not covered, the dentist will let you know and you will need to pay for it from your own pocket.
